

## POSTER PRESENTATION / PROJECT DEMONSTRATION RUBRICS

(To be evaluated by the Supervisor / Panel Member / Jury)

Presenter(s) Name & Reg. No. : \_\_\_\_\_

\_\_\_\_\_

Project Title : \_\_\_\_\_

Project Code : \_\_\_\_\_ Name of Evaluator : \_\_\_\_\_

Rubrics	Possible Points	Assigned
<b>Poster Presentation</b>		
Introduction	10	
Poster Content	10	
Layout, Design, Graphics and Attractiveness	10	
Presentation and Coverage of Topic	10	
Grammar, spelling and punctuation	10	
<b>Project Demonstration</b>		
Methodology (detailed design, including modelling, control design, simulation, and experimental results with diagrams and parameter values and solid technical data)	10	
Organization of all material required for project demonstration, and carried out demonstration smoothly, effectively and enthusiastically.	10	
Creativity and originality	10	
Interest/Excitement	10	
Professionalism	10	
Social Impact and Authenticity	10	
Realistic Constraints, Engineering Standards, Multi-Disciplinary Aspects	10	
Results, Discussion	10	
Conclusion, Future Scope & References	10	
Responses to questions	10	
<b>Total Points</b>	<b>150</b>
